MARKET ACCESS

## Strategic Business Pillars

### Approved SABIC Distributor

Authorized corporate distribution of SABIC polymers (HDPE, PP) and agri-nutrients (urea, NPK fertilizers) across Senegal and the ECOWAS zone.

### Premium Saudi Quality

Direct factory-authorized supply chains from Saudi Arabia's top manufacturers, guaranteeing product authenticity and industrial-grade quality standards.

### ECOWAS Market Access

Strategic Dakar-based operations providing seamless access to 15 West African nations through established Saudi-to-Senegal logistics corridors.

## Core Operational Values

### Supply Chain Integrity

Direct factory-to-market logistics ensuring product authenticity.

### Regional Expertise

Deep understanding of West African regulatory and market dynamics.

### Partnership Excellence

Long-term strategic alliances with world-class Saudi manufacturers.

02

# SABIC Polymers & Agri-Nutrients

As an approved SABIC distributor, Integrated Africa Company supplies premium petrochemical polymers and agricultural fertilizers to Senegal's manufacturing, packaging, and farming sectors – supporting regional industrial growth with world-class Saudi products.

**PETROCHEMICALS**

## SABIC Polymers

Authorized distribution of SABIC's high-density polyethylene (HDPE F00952) and polypropylene (PP 500GA), essential for packaging, water pipes, agricultural film, and injection molding across West Africa.

- ✓ HDPE F00952 – Blow Molding Grade
- ✓ PP 500GA – Extrusion & Film Grade
- ✓ High Chemical Resistance
- ✓ Superior Tensile Strength

**AGRICULTURE**

## SABIC Agri-Nutrients

Approved supply of SABIC's premium agricultural urea and NPK compound fertilizers, specifically designed to boost crop yields for Senegal's rice paddies, groundnut farms, and horticultural operations.

- ✓ High-Nitrogen Granular Urea (46%)
- ✓ NPK Compound Fertilizers
- ✓ Optimal Soil Enrichment
- ✓ Maximized Crop Productivity

03

# PETROMIN Lubricants & ECOWAS Gateway

Integrated Africa Company delivers premium PETROLUBE industrial lubricants and leverages Dakar's strategic position as the gateway to 15 West African nations, establishing a robust Saudi-to-Senegal supply chain for the entire ECOWAS region.

### INDUSTRIAL LUBRICANTS

#### PETROMIN Lubricants

Strategic distribution of PETROMIN heavy-duty engine oils, gear oils, hydraulic fluids, and specialty greases — supplied under the PETROLUBE brand, engineered for mining fleets, transport vehicles, and industrial machinery across West Africa.

- ✓ Heavy-Duty Engine Oils
- ✓ Industrial Gear Oils
- ✓ Hydraulic Fluids & Greases
- ✓ Extreme Temperature Stability

### REGIONAL STRATEGY

#### ECOWAS Market Gateway

Dakar serves as our strategic hub connecting Saudi industrial manufacturers to 15 West African nations. Our established Saudi-Dakar supply chain ensures seamless product flow across the entire ECOWAS economic zone.

- ✓ 15 ECOWAS Nations Coverage
- ✓ Saudi-Dakar Direct Supply Chain
- ✓ Port of Dakar Logistics Hub
- ✓ Regional Customs Compliance
